# The Road Not Taken

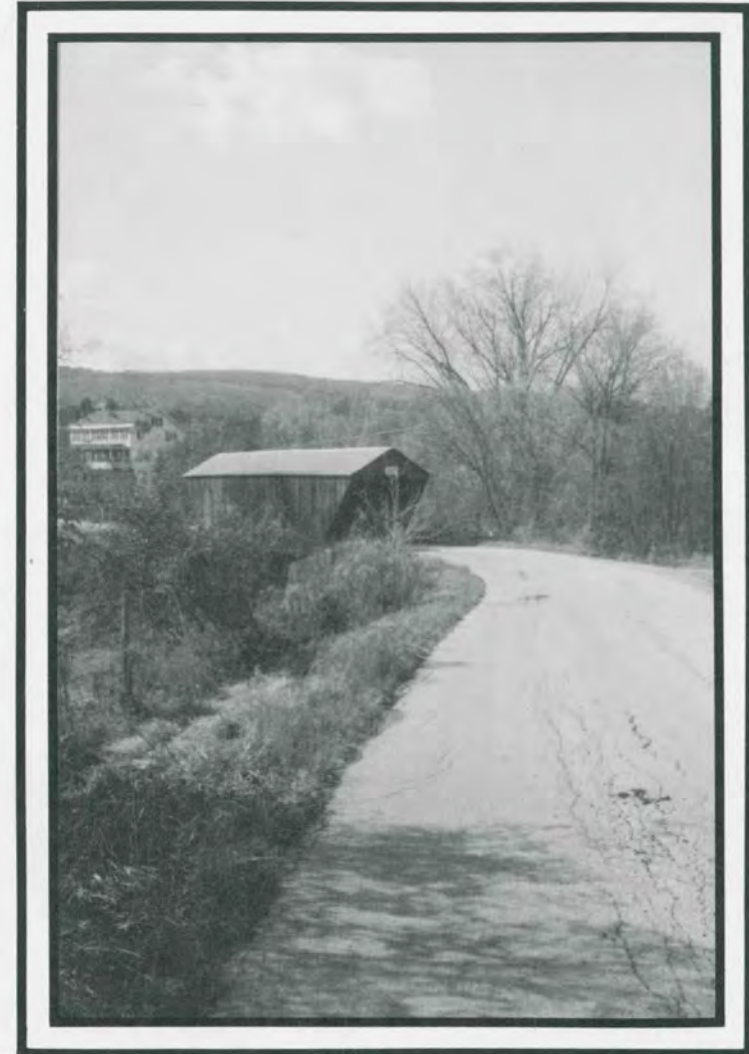

Two roads diverged in a yellow wood,  
And sorry I could not travel both  
And be one traveler, long I stood  
And looked down one as far as I could  
To where it bent in the undergrowth;

Then took the other, as just as fair,  
And having perhaps the better claim,  
Because it was grassy and wanted wear;  
Though as for that the passing there  
Had worn them about the same,

And both that morning equally lay  
In leaves no step had trodden black.  
Oh, I kept the first for another day!  
Yet knowing how way leads on to way,  
I doubted if I should ever come back.

I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a wood, and I—  
I took the one less traveled by,  
And that has made all the difference.

— Robert Frost

During your high school years, you have to make many choices. These choices can be compared to roads. A lifetime is full of occasions when you come face-to-face with two roads and wonder, "Which one?"

## The Road Through The Past

Let's think back on the times the Class of '88 has shared over the years at PHS ...

We came to PHS as 7th graders, full of enthusiasm. However, it was overshadowed by the fear of the "big upper classmen." But, all in all, an awesome first year at the high school was shared, and we made our presence known.

Things began to get better in 8th grade. With one year under our belts, the intimidation was gone. The highlight of the year was the class trip to the Hulbert Outdoors Center. The three day adventure, filled with hiking, games, and good times was shared. Other memories included the Spring Welcoming Dance that attracted students to join our class, the 2nd place title in the Winter Carnival-only having lost by two points-and the class trip to the Pico Alpine Slide in June.

As we entered our freshmen year, several new students joined our class, making it a complete unit. Once together, we began our senior high years with spirit. In "A Class Act", we sang "We Go Together" from the movie "Grease" in the Talent Show. We held two awesome dances that attracted lots of students and added money to our treasury, the Semi-Formal Dance and a Toga Dance. As a final fling, the class went to White Rocks in Wallingford, and had a fun-filled day.

As the years went by, our sophomore year fell upon us. This was a fantastic year shared by all. In the middle of the winter, we held "Sophomore Saturday"-a night filled with games, movies(!?), sliding, skating, and pizza. The class trip was to Lake Bomoseen. The events included kickball, water fights, frisbee and all-around fun in the sun.

Soon enough, the dreaded "junior year" hit. Lots of hard work was in store for all. Our class began to split up a little-those going to VOC and those staying at PHS. However, our class always managed to pull together at the right times. We actually beat the senior class in the Winter Carnival and captured first place in the snow-sculpture contest. Then, the night of all nights-"The Junior-Senior Prom". The prom was very successful. Everyone danced the night away, while the junior class counted the money. We actually made a profit! The year ended with the school-famous "Junior Walkout Day!" That will be remembered for years to come.

During the summer of our senior year, the class pulled together and participated in the 4th of July parade in Proctor. A float was constructed that had a "marble" '88 on it. Class members rode on the float. Even though the weather didn't cooperate with us, all who participated had a great time.

Well, this is it ... our SENIOR YEAR. It seems hard to believe that we'll be graduating in June. The time has really flown by. These highlighted memories of PHS will always be remembered for years to come.

## *Class Will*

*Being overworked and underprivileged, as a member of the class of nineteen hundred and eighty-eight, I.....*

## Rock Band

This year's rock band increased in size. Auditions were held and five new members were accepted: Jerome Racine, senior; Mark Ellis, senior; Terrence Pendleton, sophomore; Gale Odette, sophomore; and Jennifer Atwood, sophomore. With the entrance of younger members we hope to keep the program going next year.

The rock band didn't perform in the regular concerts, but it put on a rock concert in March. It was a great success.

# Winter Carnival

This year's Winter Carnival was full of enthusiasm. The seniors won the week of competition, followed by juniors, sophomores, eighth grade, seventh grade, and the freshmen.

This year's Talent Show was successful with 20 entries. The winners were Doug Perry and Brian Wood on drums. Tammy Landon, Fran Franklin, and Kim Zawistoski took second place with "Boogie Woogie Bugle Boy." "Remedy" finished third and Melissa Barker and Lindy Blanchard placed fourth with "The Gambler."

## Varsity Field Hockey

Proctor tradition has once again left its mark with the 1987 varsity field hockey team. The girls definitely had an awesome year! They worked together as a team with incredible passing and stickwork abilities. Their skill resulted in an undefeated record of 11-0-4. They captured the CVGAL Crown for small schools and shared the Division III Champion title with Wilmington. Tradition looks like it will prevail next year.

## Varsity Soccer

Under the coaching of Kirk Abrahamson the varsity soccer team had another successful season. They pulled their act together and played good strong games against the powerhouse teams of Arlington and Leland and Grey. They had an aggressive forward line that was always on the attack, with a fierce defense backing them up. Congratulations guys on a fine season! Next year's team should look forward to another good year.

## Junior Varsity Soccer

This year's junior varsity soccer team finished at 1-3-2. Despite the record, the team displayed good sportsmanship, team spirit, and love for the sport. Many of the players were also on the varsity soccer team, with some getting valuable playing time. The team practiced with the varsity soccer team, and Dick Wright coached them during their games. There is much talent here for future varsity soccer teams.
